Personalized coverage to fit your needs

- **Transparent and clearly understandable wording** – so you know precisely what you are insuring.
- **Modular and flexible products** – you only pay for what you need.
- **Insurance that's ideally suited to your needs** – no matter if your car is old or new or runs on gas or electricity.
- **You choose your deductible** – even if you are at fault, you will only have to pay the minimum amount.

Zero worries if you have an accident

- **Call us any time 24/7** from the location of the accident and **in just 1 hour we will have you back on the road.**
- **You can find out right away if the claim is covered** – just call or contact us online.
- **Replacement vehicle** if you have an accident – keep it for up to one month if you total your own car.
- AXA **will arrange to have your car repaired** and you can benefit from the many advantages, such as a courtesy car while you're waiting for yours to be repaired.

Top benefits from the top company

- **Roadside assistance**, with guaranteed onward travel and up to CHF 500 per person
- **Damage to parked vehicle** – amount and number of damages are unlimited
- **Flat tires or scratches on your expensive rims** can be insured under special policies
- **Best theft protection:** Including car hacking and misappropriation (e.g. car sharing)
- **Purchase price guarantee:** For the first five years after you purchase your vehicle, you will receive the full purchase price if you have an accident
- **And there are still more benefits**, such as coverage for vehicle keys or damage to personal belongings or the vehicle interior
